FIRST RESPONSE Training Group, LLC

FIRST RESPONSE is a provider of continuing medical education for public safety, allied health and military medical professionals. We conduct the highest quality, accurate, practical and relevant classes possible.

Our programs are nationally recognized and tailored to meet the specific needs of agencies and students from novice to professional. We deliver challenging, realistic hands-on classes, where the practical application of medical and decision-making skills are taught with the purpose of graduating students that are empowered to act with confidence in emergency situations.

Our seasoned instructors are all healthcare professionals. They come from various specialties within the field, such as; Firefighter/Paramedics, S.W.A.T. Medics, Combat Medics, Nurses, Physician Assistants, and Doctors. They all share the owner's philosophy that "the quality of the graduate is paramount."

Course Description:

The Advanced Cardiac Life Support (ACLS) training course incorporates information needed to apply advanced life support measures, while functioning in a team leader role

Course Requirements/Prerequisites:

- If renewing a CPR card, you must have proof of previous BLS for Healthcare Provider card.
- Pre-test
- Current AHA ACLS Provider Textbook
